Head teacher. Mrs B Rizzi-Allan

Dear boys and girls,

You have heard a lot about the Corona Virus and some strange things may now be happening that may make you afraid or worried.

Please don't be worried. Lots of grown-ups are helping sort this tricky problem.

Children and most grown-ups are not in danger and life will soon get back to normal.

These are unusual times and one day, when this is all over, you will be telling your children about the time that our brilliant nation overcame this really difficult time and stuck together to help and care for each other.

Think of this strange situation as an adventure - use your time with your family well.

As you grow up you will always come across difficult situations, be resilient and show compassion - let the worries pass over you.

If you do have any worries, share them with the person who cares for you. The adults in your life love you so much and you are cared for by all of them. We are very proud of you at St Bede's. Being afraid sometimes is a normal, healthy part of growing up. Please remember it is perfectly OK to be afraid, everyone is afraid sometimes.

We will see you all again very soon. In the meantime, be kind, be useful and read lots!

God bless.

With all our love, the Staff of Little Bede's
